

### *Catcher in the Rye* scavenger hunt

Holden Caulfield is the protagonist of this story. A major attribute of this story is its setting of New York City. The main story takes place the three days that he wonders the city. To get a little familiar with Holden's surroundings we will explore it through a scavenger hunt.

Holden's adventures in the city begin when he arrives at Penn Station from school.

Jump in the Virtual Cab and create a Glogster of Holden's New York during his three days in the city.

You can use the QR Codes and IPADS to find resources. You may also use the laptops to create the Glogsters. The Glogsters will be due December 20<sup>th</sup>. We will be updating the Glogsters to add the significance of the places you find as you gain more understanding of Holden as we read the book. Please note the virtual map on the wiki that will give you a better sense where everywhere is located in New York City.

Here are some places he travels to: Penn Station, Greenwich Village, Upper East Side, American Museum of Natural History, Museum of Art, Central Park, Rockefeller Center, Radio City Music Hall, Time Square, Sutton Place, Grand Central
